A fun and practical way to learn about gardening is to participate in the Garden Working Bees that are held on the 2nd and 4th Saturdays of the month, 1- 4pm, in the Yinnar & District Community Garden, outback ARC Yinnar. Work with the team and share in the added benefit of tasting the Garden's produce. All are welcome.

REGULAR WORKSHOPS ON SUSTAINABLE GARDENING THEMES WILL BE HELD ON THE FIRST SUNDAY OF THE MONTH IN 2013.
